

Alain Jaume - 2021

Definition...a play on words !

Take a touch of humor, add a piece of imagination, and mature a "Big" variety grapes !

This wine is a pure expression of SYRAH, the fruity aromas of blackberry and blueberry, floral fragrance

Menthol and purple, all on a spicy final Pepper and Licorice.

In short, a beautiful Syrah with Rhodanien mind!

Grape Varieties

Syrah (13% alc./vol)

Winemaking & ageing

Wine process in stainless steel tanks at controlled temperatures.

Bottling from 6 months to promote expression and purity of fruit.

Tasting

A sweet scent of violets and black fruit aromas emerges.

The palate is creamy with notes of blackberry and blueberry. Tannins are elegant and silky. The final is looming in pure typicality of the grape variety, with pepper and liquorice character.

Advices
