

Châteauneuf-du-Pape - White - 2023

Le Miocène

Soil type

Coming from the single vineyard named "La Fontaine", the plot is facing north. It is made of clay-sand and limestone. Thanks to the northern orientation, it is always very well aired. This sector allows the Roussane and Clairette to mature in great conditions without losing freshness, which we believe is key point.

Grape variety

60 % Clairette

40 % Roussane

Winemaking & ageing

Whole-bunch pressing. Vinification in stainless-steel tanks. Fermentation temperature controlled at 15°C.

Tasting

Pale yellow colour with hints of green, aromas of white flowers (may blossom, honeysuckle).

The palate is pleasantly balanced between liveliness and roundness, which brings out characteristics of dried apricot, honey and elderberry. A Châteauneuf du Pape white displaying a great finesse.

Advices

Between 1 and 8 years. Serve at a temperature of 10°C.

Contains sulfites
